

Newsletter International

Keeping you up to date: the most important facts and information at a glance.

Information on Covid 19 and its effects on TUHH

TUHH is operating regularly; all Campus areas are accessible to students and staff. For individual protection against infections, the TUHH Presidium strongly recommends wearing FFP 2 masks. This is especially important for teaching events with a large number of participants. For current Covid 19 rules check [TUHH Web-Covid 19-information.](#)

Summer Semester 2022: 2022: Face-to-face teaching

In accordance with the current relaxation of Covid 19 measures, the summer semester teaching is mainly face-to face! Digital formats are complementing the classroom teaching. As the organisational details for each course may vary, please inform yourself through the school of study [here](#)

Buddy System by ESN Hamburg

The Buddy Programme provides international students with an opportunity to connect with locals and to meet the Buddy (a TUHH student counterpart) in person (subject to Covid restrictions) Are you an international (exchange) student who would like to join the Buddy System and meet a local TUHH student? Just go to the Buddy-System website and [sign up!](#)

For more information just contact your Buddy Coordinator via the Buddy System Platform or write to us directly: hamburg@esn-germany.de

Orientation & Networking

The Orientation Program for new international students is designed to assist them while they are still new to both TUHH and Hamburg and to connect them with local students. International Office team supports students upon their arrival in Hamburg and helps them to get a good start at TUHH.

Detailed information can be found on our homepage : [Ongoing Events Program](#)

More information about integration and networking activities for all TUHH students can be found at [Welcome@TUHH](#)

Support for students & scientists from Ukraine

The TUHH Executive Board has condemned the aggression against Ukraine and decided on immediate aid measures for students and prospective refugee students from Ukraine to enable them the continuation of their education in a secure environment: See the [press release from 07.04.22.](#)
