

Time period	... what happens?	Link	Note
<p>Until end of August 2023</p>	<p>* The TUHH participates in the "DoSV", the dialogue-oriented service procedure via hochschulstart.de. For this reason, you will only receive your offer of a study place on hochschulstart.de.</p> <p>* Only when you actively accept the offer or have been assigned a place by the system, the offer will become an admission and only in that case you will see the admission notice in the TUNE portal.</p>	 	<p>Login: </p>
<p>Until 15 September resp. 4 October 2023</p>	<p>* After admission, online enrolment follows. You will find the link for this in the TUNE portal. The individual enrolment deadline results from the admission notice.</p> <p>* Only when the enrolment application has been received in full by post - i.e. with all the necessary documents - and has been processed by the Student Service/STUDIS, will you receive the enrolment confirmation in the application portal with the request to pay the semester fee.</p> <p>* After receipt of the semester fee, the TUHH account will be created. Early enrolment/transfer is recommended, as the TUHH account is required for the bridging courses. Timely payment is also important for the use of the HVV ticket from 01.10., as the TUHH sends the ticket by post.</p> <p>* After enrolment and payment of the semester fee, the TUNE application portal becomes the student portal for you. Please then select the TUHH login as a student. You can now edit your personal data here, print certificates and later also register for exams.</p>		<p>If problems occur: service@tuhh.de</p> <p>Login: </p>

Time period	... what happens?	Link	Note
2 to 13 October 2023	IT and mathematics bridging courses take place in the first two weeks of October.	Brückenkurse	No registration required!
6 October 2023	Semester opening ceremony for all first-year Bachelor students.		
18 October 2023	Semester opening ceremony for all new Master and exchange students.		
16-20 October 2023	<p>For the Bachelor students of the first semester, the orientation week of the student representatives and the deans of studies will take place. For all other students, regular courses start on 16 October 2023.</p> <p>* The basis of the degree programme is the study plan. The study plan specifies which courses and examinations are required for graduation.</p> <p>* Since elective and optional courses are offered in addition to compulsory courses, you will put together an individual timetable for the first semester. You will receive more information about this during the bridging courses and in the other events at the beginning of the semester.</p>	Studienpläne	
01-14 December 2023	There is a registration period for the examinations of the winter semester 2023/23, during which the procedure is unlocked on TUNE. It runs from 1 to 14 December 2023 .
