

INTERNATIONAL STUDENT PROGRAM

Compass live-in-student orientation

welcome@TUHH

Get started at Hamburg University of Technology!

The International Student Program offers all incoming international students guidance and assistance at the beginning of their studies at the TUHH!

Our tutors are experienced students of the TUHH who will be glad to support you on your first steps in Hamburg and the university: They will assist you in paperwork, give you practical tips for organizing your studies and accompany you to various social and cultural activities!
