Confirmation of the doctoral candidate's predominant contribution to a publication submitted for a cumulative doctoral thesis

Candidate details

Surname, first name: ……

Title: …….

Journal / Conference: ……...

Publication date: ……

Place of publication: ……

By signing this document, the participating authors acknowledge that the publication will be used for a cumulative doctoral degree. They also confirm the doctoral candidate contributed predominantly to the publication. If more than 50% of the academic contribution is attributable to the doctoral candidate, this is considered a predominant contribution.

1st participating author

Name: ……. Signature: ……..……..……

Address: …..……..……..……..……..……..……

……..……..……..……..……..……..……..……

and e-mail (mandatory): …..……..……..……..…….

Name: ……. Signature: ……..……..……

Address: …..……..……..……..……..……..……

……..……..……..……..……..……..……..……

and e-mail (mandatory): …..……..……..……..…….

3rd participating author

Name: ……. Signature: ……..……..……

Address: …..……..……..……..……..……..……

……..……..……..……..……..……..……..……

and e-mail (mandatory): …..……..……..……..…….

The publication list must include evidence of appropriate peer-review processes. The corresponding reviews must be submitted electronically by e-mail to the Office of the Doctoral Committee.

Notes: Journals recognised in the respective subject area or proceedings at prominent international academic conferences that are subject to a strict peer-review process are accepted as publication media. The publications must have been published or accepted for printing.

The signatures can also be submitted on several sheets of paper. Please use another page for additional authors.
