PREPARING YOUR STAY: IMPORTANT THINGS THAT NEED TO GET DONE AT HOME

1. DOWNLOAD ADMISSION LETTER

You can download your certificate of admission (approval document) from the application portal. You will need the certificate of admission to apply for the visa, for a bank loan, German health insurance and later on for the enrolment at TUHH. There is a verification code on the certificate of admission, so that other institutions (i.e. banks, embassy) can verify it. Please note that TUHH doesn't send hardcopies of the certificate of admission by post mail.

2. CLARIFY MONEY-RELATED QUESTIONS (AS SOON AS POSSIBLE!)

Proof of Financial Resources

For your visa application (and also later on for your residence permit) you will need a proof of financial resources which shows that you can finance your studies and daily living costs in Germany. Students must prove that they have at least €8640 per year at their disposal (€720 per month). To get further information please contact the German embassy directly:

<https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Costs of Living and Semester Contribution

The costs of living in Hamburg are rather high. Students should count a minimum of €800 per month including accommodation, health insurance and other costs of living!

Especially at the beginning, students might be required to spend more than 800 Euros in a month (e.g. to pay a deposit when renting a room (not relevant for students who live in a university dormitory in Hamburg) and the fees for your residence permit). It is therefore highly recommended to make sure that you have access to sufficient financial means.

More information about the costs of living:

http://www.internationale-studierende.de/en/prepare_your_studies/financing/costs_of_living/

3. APPLY FOR A STUDENT VISA (AS SOON AS POSSIBLE!)

International students need a student visa to enter Germany. Students from the European Union (and some other countries) are exempted from this requirement. Visa application may take several months' time! To check if you need a student visa please refer to:

<https://www.auswaertiges-amt.de/en/einreiseundaufenthalt/visabestimmungen-node/staatenlistervisumpflicht-node>

To get further information about the visa application please check the website of the German Embassy in charge of your place or residence:

<https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Do not enter Germany with a tourist visa or national residence permit issued by a Schengen country! If you do so, you have to leave Germany after 90 days and after that you cannot re-enter the country.

4. APPLY FOR ACCOMMODATION (APPLICATION PERIOD: JUNE 01 – JULY 15, 2018)

Students at German universities do not automatically receive dorm rooms when accepted by the university. They have to find accommodation by themselves. The accommodation situation for students is difficult, as cheap accommodation is hard to find. It is very important to start the search for accommodation as soon as possible. You have to arrange accommodation prior to your arrival. Do not trust on finding accommodation after your arrival!

The Accommodation Office of TUHH supports prospective international students of TUHH in finding accommodation when still abroad. The rooms available through the Accommodation Office are generally distributed on a "first come-first served-basis." You should therefore apply as early as possible during the application period.

How to apply for accommodation?

Application period: June 01 – July 15, 2018

Contact: accommodation@tuhh.de

Website:

<https://www.tuhh.de/alt/tuhh/international/incoming-international-students/accommodation-office.html>

If you choose a private room, be careful when it comes to transferring deposits. Only pay the deposit when:

- You have seen the accommodation.
- You have signed the rental contract.
- You have received the keys.

5. SUBMIT THE DECLARATION OF ACCEPTANCE (BY JULY 31, 2018)

For organizational reasons we need to get a clear idea at an earlier date of how many students intend to join our programs. For that reason please state whether you are accepting the place offered to you by July 31, 2018. To do so please use the appropriate feature in the online application portal called "Status of application" / "acceptance of admission" after logging in by using the following link:

<https://www.service.tuhh.de/zul/status.html>

If you don't submit the declaration of acceptance we will delete your name from our mailing list, so that you will not receive any further information!

6. CHOOSE THE SECOND YEAR PARTNER INSTITUTION (ONLY DUE BY JANUARY 31, 2019)

G-TIME students will spend their second year of the program at one of the listed partner universities (see: www.g-time.org). The final decision of the second year destination is only due by January 31, 2019.

7. TRANSFER THE TUITION FEE FOR THE FIRST YEAR AT TUHH (BY AUGUST 15, 2018)

The G-TIME program is subject to tuition fees. The individual total amount of tuition fees depends on the choice of the second year partner. Tuition fees for the first two semesters at TUHH amount to **€ 6,500.00**. This amount has to be transferred by **August, 15 2018**. Information regarding the bank account details will be sent out within the next weeks.

Tuition fees for the second year of study must be paid directly to the second year partner university in summer 2019.

Important: A ticket for public transport (valid for the entire first year at TUHH) is included within the tuition fee. The semester ticket is valid in the HVV total network (fare rings: ABCDE): http://www.hvv.de/pdf/plaene/hvv_linienplan_schnellbahnplan_usar.pdf

8. REGISTER FOR THE GERMAN LANGUAGE COURSE (BY AUGUST 15, 2018)

The language of instruction in the international Master's programs is English, but please do not expect that all people in Germany speak or understand English. A basic knowledge of German will be very helpful for your everyday life in Hamburg. For that reason TUHH offers an optional intensive German language course before the start of the lecture period. (There will be other German language courses during the lecture period.)

Date: October 1 – October 12, 2018

Time: Monday – Friday: 9:00 a.m. – 2:00 p.m.

Costs: The course is free of charge, we expect regular attendance.

Place: The language course will take place on the university campus.

How to register for the language course?

- If you want to join the language course please take the Cornelsen Online Test: <https://www.tuhh.de/alt/tuhh/education/students/learn-a-language-at-tuhh/master-deutschkurse.html>.
- Registration period: August 1 – August 15, 2018
- To register for the course please send an email to study@tuhh.de. In the email please mention your complete name, your TUHH application number and the results of the Cornelsen Online Test or the information that you have no previous knowledge of German.

9. PREPARE DOCUMENTS FOR ENROLLMENT

The following documents must be prepared for the act of enrollment at least:

1. Completed and signed enrollment form (available from August 1, 2018), downloadable at <https://www.service.tuhh.de/zul/status.html>
2. A copy of your passport
3. Officially certified copies of the university certificate(s) and German or English translations
4. Officially certified copies of the complete university transcript(s) of records (semester mark sheets) and German or English translations
5. TOEFL or IELTS score report (original, if not yet directly sent by ETS or British Council)
Please note that ETS needs several weeks to send the ordered score reports to the institutions. For that reason you should bring your own original of the score report for enrollment, just to be on the safe side.
6. If previously been enrolled at a university in Germany: copy of the certificate of deregistration ["Exmatrikulationsbescheinigung"] of your previous university
7. Applicants from China, Mongolia or Vietnam must additionally submit an original APS-certificate of the "Akademische Prüfstelle" upon enrollment.
8. For the enrollment you will also need a proof of valid German health insurance, you can arrange that after your arrival in Germany (please see page 6).

Translation

If the documents are not in German or English, officially authenticated translations of a sworn translator have to be added. The authentication itself, too, must be performed in English or German. The translation must be attached to the photocopy of the original document.

Certifications

Certifications of all documents will be accepted only if performed by a notary public, by the institution that has issued the original documents or by the German embassy or consulate in your home country. In Germany authentication can also be performed by the respective district registration office ("Kundenzentrum").

Students from EU member countries, Iceland, Liechtenstein, Norway or Switzerland, who are able to present a valid European Health Insurance Card (EHIC), don't have to arrange an additional German health insurance. The EHIC is valid all around Europe.

7. SIGN AN INTERNAL AGREEMENT WITH YOUR TENANTS TO SHARE THE FEE FOR THE GERMAN BROADCAST CONTRIBUTION SERVICE (AS SOON AS POSSIBLE!)

The German Broadcasting Fee is €17.50 per month and has to be paid also by international students. The fee, a flat-rate contribution, is charged to every apartment so that, in principle, every household in Germany has to pay €17.50 monthly – and this is irrespective of whether any devices in a household are available and/or used. One or two months after you have done your residential registration you might get a default summons from the German Broadcast Contribution Service (“Beitragsservice”) to pay the fee. The fee must be submitted in three-month payments (€52.50 all three months).

Before you even have been requested to pay the fee all students should sign an internal contract wherein all tenants of the apartment agree to share the monthly fee. It is best to do this shortly after you moved in because at that time no tenant knows yet if he or she will be the one who has to pay. You will get a blueprint for an internal agreement upon enrollment.

More information concerning “Beitragsservice” can be found at
https://www.rundfunkbeitrag.de/e175/e5283/Informationsflyer_Buergerinnen_und_Buerger_Englisch.pdf

HOW TO REGISTER AT THE TUHH LIBRARY

Address: Denickestr. 22, building J, <https://www.tub.tuhh.de/en/>

You need a library card for lending as well as for ordering literature from the closed stack or by interlibrary loan. The reading rooms are accessible without library card. For the registration you will need your passport, your student ID and the confirmation of residence registration ("Meldebestätigung"). First of all, please register online at <https://www.tub.tuhh.de/en/service/registration/>.

Guided tours through the university library take place by arrangement. For spontaneous requests please come up to the information desk.

HOW TO ARRANGE YOUR LECTURE PLAN

Your personal lecture plan will be based on the official curriculum (course scheme) for your study program at <https://studienplaene.tuhh.de/index.php?Lang=en>. Please make sure you click on the current version. You will then have an overview of the lectures, tutorials, internships, etc. you are expected to attend in your first semester.

This is a very short tutorial on self-organized compilation of your curriculum or lecture plan. From what will probably be with the beginning of September 2018 the course catalog for the winter semester 2018/2019 will be available online on the TUHH website at https://intranet.tuhh.de/stud/vvz_eingabe.php3?Lang=en. To make it a little easier for you to find your way into your study program we are demonstrating to you briefly how you can put your lecture plan together. If you have any further questions you can confidently consult the student body of your faculty or fellow students who will be happy to be of assistance.

This is how to go about compiling your curriculum:

1. Visit <https://intranet.tuhh.de/editor/index.php?Lang=en>
2. Mouse over to the red arrow in the right-hand margin and click on "Studierende" (Students).
3. You will now see four fat red buttons on the right; click on "Login Intranet".
4. Enter your user ID which you received upon enrollment.
5. Click on the right on "Aktuelles Semester" (Current Semester).

6. Select your study program and Semester 1 in the dropdown menus and then click on “Abschicken” (Send). If your only options in the dropdown menu are Semesters 2, 4, and 6, the course catalog for the winter semester is not online yet. Try again in a few days’ time.
7. You will now see a long list of courses for which you can enroll in the study program you have selected. Check every course in your official curriculum that you are expected to attend in your first semester. If several times are listed for, say, a tutorial, you can choose the one that suits you best. Think about whether you want to enroll for an elective – such as Introduction to Law, etc. – in your first semester, and if you do, check that too.
8. Click at the bottom of the page on “Markierte Vorlesungen abonnieren” (Subscribe to Checked Lectures). That is important!
9. Click on the right on “Eigene Auswahl” (Own Selection). You should now have a shorter list of the courses you have chosen. Click at the top of the page on “Kalendarische Ansicht” (Calendar View) to open a new browser window.
10. Congratulations! You have now compiled your first personal lecture plan.
11. If courses overlap or coincide or if the gaps between courses are too short or too long for you, play around with the tutorials or courses that are offered at different times. Then uncheck the superfluous courses in your “Own Selection” and click at the bottom of the page on “Unmarkierte Vorlesungen austragen” (Delete Unchecked Lectures).
12. Click on the right on “Mein Studiengang” (My Study Program) and repeat the procedure from Point 7 of this tutorial.

The lecture plan that you have drawn up is just for you personally. By “abonnieren” (subscribing) to courses you are not automatically enrolling for them. To enroll for specific courses, such as lectures or tutorials, you must in addition visit the registration platform Stud.IP (see paragraph below) or “Intranet-Kursanmeldung”.

HOW TO ENROLL FOR A COURSE ON STUD.IP

At the TUHH the internet-based learning platform Stud.IP is available for all students and teachers. In addition to communicating with teachers and fellow students you can upload material and information to the platform. This could be literature and link lists, video recordings of lectures for the platform, and scripts or further exercises for students. This requires cooperation and communication by and between all students and teachers.

https://e-learning.tu-harburg.de/studip/index.php?set_language=en_GB

Using Stud.IP does not require any special prior technical knowledge. You access it via your login and password of the TUHH Computer Center which you have received during the enrolment. You can also find the login and initial password on your semester documents.

To enroll for a course on Stud.IP, this is what you do:

1. Visit <https://e-learning.tu-harburg.de/studip/>.
2. Enter your user ID and password.
3. Find the course you want in the search bar (above right). Can’t find it? Make sure you are searching in the right semester (dropdown menu on the search result page).
4. Click on the course you want to register for.
5. Then, on the far right, click on “Tragen Sie sich hier für die Veranstaltung ein” (enroll for the course here). If that button is not available, it will most likely be because you are not in the prescribed registration period or are looking in the wrong semester.
6. If a password is requested, go to the first lecture/course regardless. The password will usually be announced there. If you miss the first lecture send an email to the person in charge or just ask fellow students to tell you the password.

To enroll, for instance, for a tutorial that is offered at different times there are usually two options:

1. Looking in the right semester for, say “Übung Technische Mechanik I”, you find many different courses: Group A, Group B, etc. In that case simply enroll for the group that meets at the time you prefer.
2. Looking for, say “Übung Thermodynamik I”, you find only one course even though several times are offered for this tutorial. In this case enroll for the tutorial and click first on the “TeilnehmerInnen” tab and

then on "Funktionen/Gruppen". Find the group of your choice and click on the yellow double arrow in front of it.

GERMAN LANGUAGE COURSES FOR MASTER'S STUDENTS

During the lecture period TUHH is offering a variety of language courses on different levels. These lectures are compulsory and free of charge.

Students in the international Master's programs have to join one of the courses named "Master-Kurs Deutsch" or the course "Literatur und Kultur (from Level B1)", for other German courses Master's students will get no credits!

You have to register for the German language course for Master's students "Master-Kurs-Deutsch" on this website: <https://www.tuhh.de/alt/tuhh/education/students/learn-a-language-at-tuhh/master-deutschkurse.html>
