Information on the Campus Management System TUNE

The TUHH transfers the previous self-service functions into the new campus management system **TUNE** in two steps

What does this mean for you?

In the first step, the functions of the student service are transferred. The examination service will follow at a later date.

Some more hints in advance:

- Behind the symbols and O Help there are important hints and help texts for the individual categories.
- If the presentation of the pages is not satisfactory, please use a different browser.
- Your semester contributions from previous semesters including the current semester have not been included in TUNE. The fee calculation in TUNE starts for the first time with the payment of the semester contribution for summer semester 2020.

This is how the start page of the TUNE portal looks like.

Information for Students		
Welcome to our TUNE-Portal, the campus management system of Hamburg University of Technology!		
The TUNE portal replaces the SOS system and currently provides you with the following functions: - Application and enrollment for all Bachelor and Master of Science courses - Download of enrollment certifications - Update of control cdaa		
Instructions for using the system can be found here, (link comes later)		
The TUNE-Portal offers different functions concerning your student status under the designation "Student Service". You may enter the portal by using the "TUHH-Login" in the top right corner. You will need your Kerberos-Account data to do so. There you will also find access to the functions in the examination system (examination registrations and cancellations, transcripts of records) as well as to stud jp and the intranet.		
Please keep in mind that applicant-logins from former semesters could not be used.		
Contact		
For content questions (concerning reregistration, reports, change of address) please contact <u>STUDIS-Studierendenservice</u>		
Questions concerning examinations and transcripts are welcome at the Examination Office.		
For technical questions please contact <u>the Computer Center</u> .		

Please use the function "TUHH-Login" in the upper right corner to log in to the system. The following tab will open:

	Student Service Get an overview of your status, contact details, invoices and payments and create reports. Examination Service Register here for exams, print your transcript of records, submit your application for admission to your final th Instance Create your individual timetable here. Stud IP Find study materials and e-learning offers here.	sesis and record your stays abroad	l.		

Under the heading "Student Service" you will find the new functions. The other headings take you to the applications that are still in use by clicking on them.

The "House-symbol" takes you back to the start page.

The "Student Status" tab shows your degree programme and your status of registration.

The "Contact data" tab shows your e-mail generated by the computer centre and your private address. If you would like to change your address, please use the tab "Studies - Correspondence".
