Internship – Project Operations (m/f/d)

Job Location: Düsseldorf, Germany

Start date: ASAP

Responsibilities:

In this role, you will be supporting the Project Management Team on projects with well-known brands in the telecommunication sector. We are looking for a passionate team member, who will be able to join the team full time for a **6-months internship**, handling following tasks:

- Assist in all phases of project planning and development, ensuring smooth coordination and execution of project milestones
- Contribute to various project tasks, including quality management, digitalization initiatives, and project delivery support
- Actively participate in the review and management of project activities, ensuring alignment with objectives and timelines
- Identify opportunities for process optimization and address any bottlenecks or challenges to maintain project efficiency
- Support documentation processes, including review, organization, and transfer of project-related materials
- Provide organizational assistance to the project team, helping to ensure the timely completion of project milestones and deliverables

Requirements:

- Currently enrolled in Bachelor/Master's degree in Business Administration, Industrial- or Electrical Engineering as well as other domain-related disciplines
- Experience in project management preferred
- Excellent communication and interpersonal skills, openness for an international environment and Chinese business culture
- Team player attitude with willingness to grow and learn

Language requirements:

- Fluency in English and German (C1-C2) mandatory

What we offer:

We offer you an exciting professional career in one of the leading and fastest growing multinational telecommunication companies, challenging work and a competitive salary package. Personal development is ensured through many training opportunities in Europe and abroad.

About Huawei

Huawei is a leading global provider of information and communications technology (ICT) infrastructure and smart devices. With integrated solutions across four key domains – telecom networks, IT, smart devices, and cloud services – **we are committed to bringing digital to every person, home and organization for a fully connected, intelligent world.**

At Huawei, innovation focuses on customer needs. We invest heavily in basic research, concentrating on technological breakthroughs that drive the world forward. We have more than 208,000 employees, and we operate in more than 170 countries and regions.

Huawei's end-to-end portfolio of products, solutions and services are both competitive and secure. Through open collaboration with ecosystem partners, we create lasting value for our customers, working to empower people, enrich home life, and inspire innovation in organizations of all shapes and sizes.

Privacy Statement:

We are committed to protecting your privacy by following the applicable data protection legislation. By applying to this position at Huawei, you acknowledge that you have read and understood the [Huawei Recruitment Privacy Statement](#) containing information on how we process your data. Please note that your data will be treated confidentially and securely.
