

Commercial Internships

Marketing | Sales | Finance | Analytics & Insights | HR | Communications | Supply Chain

Join us for an internship that makes a real impact on products consumers can't live without. Bring your insight, creativity, and passion to our dedicated teams that drive our global success.

As an intern, you'll manage your own project, apply your skills, and enhance your capabilities while collaborating with colleagues from diverse backgrounds. We prioritize your professional development, offering support, mentoring, and various training opportunities.

Our internships typically last 3-6 months and are open to all enrolled students who have completed their first two Bachelor semesters.
