

We are a small company, which develops, manufactures and provides innovative and the highest quality medical devices for the interventional cardiology and radiology worldwide. Soon, we are opening our private, luxury, leading surgical hospital - Klinikum Glückstadt.

We are looking for young people, who are willing to learn and support our team in the following fields:

- Product development
- Clinical data administration
- Patients coordination
- Hospital marketing
- Hospital management
- Supply chain management
- Company marketing
- Training center

Are you interested in working with us?

Please send your application/CV into the following email address:

customerservice@endocor.com

In case you have more questions, please call: (0)4124 9395 313

We are looking forward to hearing from you!
